4. [REDACTED] Talked with Mario Fellow, in the office of Senator Allen J. Ellender (D., La.), concerning his request that the Agency make a copy of the Senator's film for him. (I had previously suggested to Fellow that we reprint only the color portions of the film and those scenes of the black and white which were clear.) Fellow said he thought we should go ahead and reproduce all the film. [REDACTED] of Graphics is handling this.

I informed Czarnecki this document had been carefully reviewed and was of no interest to the Agency. Czarnecki was not happy with this decision and indicated that he would pass our position on to the Congressman. (See Memo for the Record for details.)
